CONNELLSVILLE, PA., TUESDAY EVENING, JAN. 28, 1908.

PRICE, ONE CENT.

STIRRING INTEREST IN BIG GATHERING.

Y. M. C. A. Convention Committees Hold Enthusiastic Meeting.

BENEFIT THE TOWN WILL DERIVE

Between 400 and 600 Delegates Will Be Here in February from All Over the State—Knights of Pythias Convention Will Follow.

An enthusiastic meeting of the various committees having in hand the arrangements for the Pennsylvania State Convention of the Young Men's Christian Association in Connelville on February 29-30 was held last evening in the Auditorium of the Y. M. C. A. building. All committees were fully represented. After a thorough discussion of the plans to be carried out the various committees organized and outlined their respective duties.

From this date the work will be vigorously pushed. The list of committee members published a few days ago will be increased as opportunity offers and the work progresses.

It will be no small undertaking to provide adequate accommodations and entertainment for from 400 to 600 delegates. The entertainment committee is charged with the duty of providing lodgings and meals. The latter will be paid for by the delegates.

It is expected that there is a sufficient number of homes in Connelville and New Haven who can take one or more lodgers for four nights without overtaxing the hotels. Lodgings will be furnished free to delegates.

The finance committee at its meeting last night decided to raise the sum of \$500 for defraying the expenses. This sum will be required to meet the expenses of advertising the convention, renting halls and other meeting places and other items incident to the undertaking of this magnitude and scope.

There are 250 Y. M. C. A. organizations in Pennsylvania. Each of these will probably be represented by one or more delegates. In addition to these it is expected that hundreds of people throughout the State, Western, Indiana, Somerset, Washington and other surrounding counties will take advantage of the opportunity to attend the meetings. The list of speakers includes men of prominence from various states and Canada. Some of these like H. J. Hendz of Pittsburgh are famous figures on the platform of Western Pennsylvania. Others who are less known in this region will deliver equally interesting addresses on their respective lines.

Aside from the intellectual, moral, or religious interest in these meetings Connelville will benefit commercially and industrially by the presence of so large a number of delegates from every county in the State. These men are desirable people to have visit us. They represent all branches of trade and commerce. They have heard of Connelville's coke and Connelville, but naturally have no definite knowledge of this community. It is up to the people to extend such a welcome, and to so impress them that the greatest benefit may accrue to the town. The Knights of Pythias convention will follow in a few months. The Merchant's Association being quick to recognize an opportunity of advancing the town's commercial interests, some months ago joined with the local Y. M. C. A. organization in extending the invitation for this convention. The business men are active in their co-operation to make the event a success. Those who can supply lodging to the delegates should be heard from at once. Those who are willing to supply meals ought also have their applications on file. Those who have had cards for the entertainment of lodgers will be called upon this week by collectors for their reports.

B. & O. RATES.

Passenger Fare Will Be Boosted as Result of Two Cent Decision.

Through passenger rates over the Baltimore & Ohio railroad from Pittsburgh to points in the West will be advanced as a result of the decision of the Supreme Court regarding the two-cent-a-mile passenger fare law. Although the court decision affects only the Pennsylvania railroad lines east of Pittsburgh, it is directly responsible for the advance in passenger fares on the Baltimore & Ohio railroad.

Passenger officials are now working on new rate sheets, and the proposed schedule probably will become effective February 1, the date on which the Pennsylvania will restore its former rates.

Gets Pension of \$15.

William P. Lazelle of Connelville, through Congressman A. F. Cooper, has been granted a pension of \$15 a month.

CORN ON TRACK.

Gave Rise to the Rumor That Thieves Had Greased Rails.

Captain W. A. Metzler of the Baltimore & Ohio force investigated the report of robbers holding up a B. & O. freight train at Bonford Tunnel, near Confluence, Sunday night, and found that no attempt had been made to hold up the train, although the circumstances were rather peculiar.

Captain Metzler says that a car load of corn was hauled over the road just previous to Train No. 98's time and that a great deal of the corn had slipped out and gotten on the rails. When Train No. 98 came along it struck the corn on the rails and stalled. The trainmen immediately supposed that the rails had been greased in order that an attack might be made upon the freight. No. 98 is a fast freight and always carries valuable goods. No effort was made to rob the train.

SHOT IN ARM.

Frank Sanner's Gun Slipped Through Bridge and Struck Trailing Tie.

Frank Sanner, a lumberman of Indian Creek, shot himself in the arm this morning with a shot gun, and had it not been for the presence of Dr. A. J. Colburn at that place he would in all probability have died. Sanner was standing on the railroad bridge looking and had the butt of his gun resting on a tie.

The gun slipped from the tie and the trigger struck the edge of the tie, exploding it. The entire load of shot entered the arm at the wrist and pierced a furrow to his elbow, the shot scattering between the bones. Dr. Colburn who was attending some patients in the neighborhood, happened along a few minutes after the accident. The arm was bleeding furiously and the flow of blood was stopped. Sanner was brought to the Cottage State hospital on the morning accommodation.

OIL LINE BURST

Causing It to Melt Ice and Catching Game Kitten and Prisoner in Terrific Flow.

UNIONTOWN, Jan. 28.—Frank Morris of Greene county was arrested yesterday by Assistant Game Warden Warden M. P. McDaniel and State Police Officer Fred Cook on a charge of violating the fish laws and this morning paid a fine of \$50 before Sheriff Boyle. The three men had a frightful experience in crossing the Monongahela river burst, covering the territory with oil which flowed out on the ice. It became ignited in some manner and quickly thawed the ice, bringing it crashing down the river.

MUSICAL AT UNIONTOWN.

Von Kunits and Knotts Soloists at Laurel Club.

The Musical Club of Uniontown has engaged Lutz von Kunits and Richard Knotts as soloists for a concert to be given February 6 in the Laurel club rooms. This affair promises to be one of the greatest musical events of the kind ever given in Uniontown.

Mr. Knotts will be the soloist next Thursday evening, January 30, with the Mendelssohn Trio, who are giving a series of ten concerts in the Auditorium of the Pittsburg Board of Trade.

ALUMNI DANCE.

Invitations Are Out for the Annual High School Affair.

Invitations are out for the annual dance of the Connelville High School Alumni, to be held in Markle Hall Thursday evening, February 6. The hours are from 8 until 2 o'clock. Music will be furnished by Kettering's orchestra of Greensburg. The committee is composed of Earl N. Bower, T. Clifford Edmunds, Charles L. Cecil and Charles S. Hall.

Meeting of Custom Cutters.

WASHINGTON, D. C., Jan. 28.—(Special.)—Styles in men's dress for the coming year and numerous other matters are to be discussed at the annual convention of the Custom Cutters' Association of America, which began today at the Arlington hotel in this city. The meeting is attended by delegates representing the United States and Canada.

Police Court Slow.

Three prisoners charged with drunkenness were given hearings before Burgess Solson this morning. Two of them were discharged and one sentenced to 48 hours. There is only one prisoner now confined in the police station.

Judge Melville Will Not Resign. Judge J. A. Melville of Washington county has issued a statement denying that he will resign.

LAST CIVIL CASES UP BEFORE THE COURT.

Equity Suits and Argument Court to be Held on Thursday.

COL. BOYD ACCEPTS \$2,800

Case Against the Fairclough School Board Involves Little Money But an Important Principle—Eyrne Audit Case February 10.

UNIONTOWN, Jan. 28.—A verdict was taken without trial this morning in favor of Col. A. D. Boyd, defendant, against the Borough of Uniontown. This was for a strip of property taken to widen Lawn avenue. Viewers to assess damages were appointed by the court some time ago. J. B. Hoss, S. G. Nixon, Greenberry Crossland, J. O. Miller and Henry Wiggins viewed the property and reported its valuation at \$3,450. This was unsatisfactory to both parties and they took appeals from it. The case was to come to trial this morning, but the parties reached an amicable agreement. Col. Boyd accepted \$2,800 in preference to trying the case.

Before Judge Embel the case of Gus B. Irvin against the Fairclough School Board is being heard. There is only \$54 involved in the suit, but the principle involved is of considerable importance. Fairclough has no High School and Irvin wants to be a boy. Fred and Max to the Uniontown High School. The tuition there was \$2 per month. The law provides that where there is no High School, children can be sent to a neighboring High School and the Board of the District shall pay the actual expenses. The bill was rendered to the Fairclough School Directors but they refused to pay it for the reason that they considered it entirely too high. There were many witnesses subpoenaed for the case.

In Judge Van Swearingen's court the case of the Model Gas Engine Works against the Marshall and J. J. Johnson is being heard. This case was taken up yesterday but was dropped for a time. This is an action in replevin to recover \$2,600 on a gas engine installed in the Exchange Hotel. The company installed the engine which did not prove satisfactory and later exploded, killing a man.

Hindling instructions were given by the court to return a verdict in favor of the defendant in the case of the Pittsburg Heating Company against Thomas H. Thompson and the Carroll Lumber Company. A large house was constructed by the defendants at the expense of the heating company and the contract for heating. They installed apparatus in excess of the contract amounting to \$3.38, according to their claim. The defendants alleged that the men was not paid within the prescribed period of three months after the goods had been delivered.

These are the last cases that will be heard at this term. Judge Embel announced that on Thursday the equity list will be called over and that after this the session will be closed. All cases will be argued with the exception of the audit case against John R. Eyrne, which will go over until February 10.

Miss Rose Dunston, of New Haven, has entered suit for \$21,000 damages against the West Penn Railroad through her attorney S. R. Goldsmith. She alleges personal injuries received December 18, 1907, when she was walking on a trestle in front of Henry Rhodes store in New Haven and a West Penn car jumped the track, striking her. She says she was badly bruised and suffered considerably and that she will be unable to perform any work during her life.

In the estate of John B. Walker, late of Vanderhill, since R. B. Wright of Dawson, has filed his bond of \$300 with D. W. McDonald as surety.

CREWS LAID OFF.

Over 125 Firemen on Pittsburg Division Indefinitely Suspended.

The Pennsylvania Railroad Company has reduced the fire of train men and locomotive engineers, 125 men having on Monday been indefinitely suspended on the Pittsburg division, while 69 engineers were put back to work.

A number of the Youngwood men are affected by the change.

Prominent Churchman Dead. PARIS, Jan. 28.—(Special.)—Cardinal Richard, Archbishop of Paris, one of the best known Catholic clergymen in Europe, is dead of congestion of the lungs.

Blister Released.

Harry Blevins, a Dixonsville man, charged with having struck James Craft, was released from jail yesterday under \$5,000 bond. Craft will likely recover.

DEBATERS CHOSEN

To Represent High School in Contest With Uniontown.

The following members of the High School were elected yesterday afternoon to participate in the literary contest between the Connelville High School and the Uniontown High School, to be held in March, at Uniontown.

The debaters are Henry Ashe and Ralph Dunn; orators, J. R. Davidson, Jr.; essayist, Miss Camille Munk; and reciter, Miss Marguerite Brennan. The subject for the debate will likely be chosen this week.

DARR RELIEF FUND TO GET NICE SUM.

J. L. Rodrigues' Concert Last Week Nets \$215 for Sufferers.

COMMITTEE MEETING TONIGHT

At 7 O'clock to Stir Up Additional Interest—So Far There Has Been No Contributions From Uniontown, Except J. V. Thompson's.

In an effort to arouse some interest in the Darr relief fund a meeting of all the committees will be held in the office of the Wallace Furniture Company this evening at 7:30 o'clock. The committee feels that Connelville and Uniontown have neglected to do their part to add the Darr sufferers. Up to date Connelville has sent \$172 to date while Uniontown has not contributed one cent, outside of the subscription of J. V. Thompson for \$100. E. W. Horner, treasurer of the committee has a small amount that has not been turned into the fund and this with \$21.55 collected from the benefit given by J. L. Rodrigues will bring the fund up to about \$700. The first distribution of funds to the sufferers will be made within the next ten days. The Pittsburg Committee now has \$2,000 on hand, but hopes to make a distribution of \$5,000.

A special committee has been at work upon the details of the distribution and recently spent several days at Pittsburg, making arrangements for the first distribution of aid. The committee feels that Connelville and Uniontown have neglected to do their part to add the Darr sufferers. Up to date Connelville has sent \$172 to date while Uniontown has not contributed one cent, outside of the subscription of J. V. Thompson for \$100. E. W. Horner, treasurer of the committee has a small amount that has not been turned into the fund and this with \$21.55 collected from the benefit given by J. L. Rodrigues will bring the fund up to about \$700. The first distribution of funds to the sufferers will be made within the next ten days. The Pittsburg Committee now has \$2,000 on hand, but hopes to make a distribution of \$5,000.

The committee desires a large attendance at the meeting tonight and feels that the charity of the people of Connelville should extend a little further than it has. The general relief committee planned the raising of \$125,000 for the relief of the sufferers in Naom, arising from its gasous condition, lack of proper ventilation, the use of open lamps therein, and from deposits of coal dust which endanger the lives, health and security of the miners.

The officials are instructed to remove such conditions forthwith.

SUNDAY SCHOOL CONTEST.

Uniontown Will Soon Compete With Wheeling and Washington.

UNIONTOWN, Jan. 28.—The Central Christian Sunday school of this place has entered into a contest with the Washington and Wheeling schools to secure members of the school. Recently a contest was engaged in by Wheeling and Washington, and the latter won in the race.

The contest for new scholars will begin next Sunday and the congregation of the church feels that Uniontown will win the laurels.

FOUR HUNDRED SIGNERS.

Uniontown People Petition for the Pardon of Caleb Powers.

UNIONTOWN, Jan. 28.—J. H. Moore, private secretary to Caleb Powers, yesterday sent off a petition of 400 signatures for the pardon of Powers, and today started another petition.

He says that millions of names will be collected all over the country and presented to the Governor of Kentucky for Powers' release.

FELL UNDER TRAIN BEATING HIS WAY.

John Brewer Riding Blind Baggage Meets With Fearful Accident.

INJURIES MAY PROVE FATAL.

Two Colored Miners of Meyersdale Attempt to Dry Out Powder and Are Perhaps Fatally Burned by an Explosion—One Very Serious.

John R. Brewer, 40 years old, was brought to the hospital in a serious condition last evening, the result of falling from a B. & O. train. Brewer was riding a fast east bound train and fell from it at Rockwood. He was caught by the wheels of a coach and his left arm was crushed off near the shoulder. His left hip was dislocated and he suffered many cuts and bruises about the body. He was given assistance at Confluence and brought to the hospital on Train No. 19 last evening. Brewer says his home is at Tatamun, Pa., and that he is single. He is in such serious condition that he does not know how the accident happened.

Jacob Lumsden and Joe Raymond, both colored of Meyersdale, are at the hospital suffering from severe burns. The men are miners employed by the Somerset Coal Company and yesterday were drying out powder in the mine. The powder exploded and the men were badly burned about the hands and face, while Raymond is perhaps fatally burned. The flesh of his body from the knees to his head has been burned off and there are few chances for his recovery.

NAOMI REPORT.

State Mine Inspectors Make Suggestions to Officials to Remove Existing Dangers.

GRIFTSBURG, Jan. 28.—The special committee of State mine inspectors appointed by Chief James E. Patrick, of the State department of mining, following an inspection has reported of two Western Pennsylvania mines, in one of which recently occurred a disastrous explosion.

The report has been sent to William Kestiger, superintendent of Banking mine No. 1, operated by the Pittsburg Coal Company, and James C. Hendren, superintendent of the United Coal Company. The reports on the two mines are practically alike.

The report of the Naomi mine says that inspectors are agreed in the opinion that there is immediate danger in Naomi mine, arising from its gaseous condition, lack of proper ventilation, the use of open lamps therein, and from deposits of coal dust which endanger the lives, health and security of the miners.

The officials are instructed to remove such conditions forthwith.

LONG STRING OF CARS.

B. & O. Has River Track Filled From Bridge to Ice House.

A string of cars reaching from the ice house in the B. & O. yard to within a few feet of the river bridge stands upon the river track of the Baltimore & Ohio company.

The string is almost three-quarters of a mile long. All the cars are empty.

CHAS. KIMMEL DEAD.

Well Known Young Man Expires at Somerset County Home.

Charles Kimmel, aged about 26 years, died Sunday night at his late residence at New Lexington, Somerset county, after a lingering illness. Death was due to tuberculosis. Funeral tomorrow afternoon from the family residence.

Deceased was well known here and for three years was clerk in the executive department of B. L. Smith's store. About two years ago he resided in the position and went to his home at New Lexington, owing to ill health. He was a member of the local order of the William McKinley lodge of Odd Fellows. His mother, Mrs. Mary Kimmel and two brothers, and a sister survive. His father died several years ago.

VISITS LODGE.

District Deputy Ochsey Visits Connelville Lodge of Elks and Is Entertained.

District Deputy Ochsey, of Elks Lodge, B. P. O. E. 12, held Connelville Lodge of Elks a fraternal visit last evening, and inspected the work and general standing of the lodge. Mr. Ochsey has the largest district in the United States to cover, his district having the greater number of lodges and members. After the business session the local lodge entertained the visitor at an informal banquet, about fifty members of the lodge being present.

B. I. Kutzler presided as toastmaster. District Deputy Ochsey delivered a very interesting address on the Elks of Western Pennsylvania, and the Order in general, what the Order stands for and what it is doing. He was followed by nearly all those present making a few remarks. The evening was a most delightful and profitable one.

NEARING THE END.

Evidence in Rebuttal Begun This Morning in the Trial of Harry Thaw.

United Press Telegram.

NEW YORK, Jan. 28.—R. E. Linley, a public accountant, was on Madison Square roof the night of Sunday White's killing. He was the first witness in rebuttal this morning. He said he had a good view of Harry Thaw, and he seemed perfectly rational.

Linley was not cross-examined. Meyer Cohen, manager of a music publishing house, saw the shooting. He said Thaw impressed him as being rational.

Police Officer Anthony L. Dubs, who arrested Thaw, and Officer Dennis Wright both swore Thaw acted rationally. Police Lieutenant McCarthy, before whom Thaw was arraigned, said he appeared rational.

Almoner Jerome, a civil engineer, said there is no doubt in his mind that Thaw was sane at the time he shot the woman, and he would dispose of the human matter before closing the rebuttal.

THE OLD OFFICERS CHOSEN IN B. & L.

Report of Secretary for 1907 for Connelville Association.

A TEN PER CENT. DIVIDEND.

Over \$20,000 Paid Out to Matured Investment Stockholders During the Past Year—Dividends Amounted to Nearly \$7,000.

The regular yearly meeting of the stockholders of the Connelville Building & Loan Association was held in the Citizens National Bank last night, and officers and directors for the year 1907 elected as follows:

President, Edmund Dunn, vice president, D. P. Lepley; secretary, James L. Kutzler; treasurer, J. Fred Kutzler; Directors, F. A. Kell, P. J. Forman, J. D. Madigan, F. M. Cecil, Peter Rausch, Clark Collins, S. R. Goldsmith, W. N. Leche, Chas. B. Solson.

The report made by the secretary for 1907 showed the affairs of this institution to be in a sound and flourishing condition. A dividend of 10 per cent. was declared by the directors for the year just ended.

Beyond the more knowledge on the part of the public that the main business of a building and loan association is to lend money to persons wishing to build homes, or to improve them, not much is known as to other features connected with their operations.

It is well known that one could take out what is called "cash" or "margin" stock, paying one dollar each month for every share subscribed for there would no doubt, be many who would invest in this manner, as the dividends paid on such stock are much greater than that received from an account kept in a bank.

The dividends paid by the Connelville Building & Loan Association during the last ten years have averaged over nine per cent. Such concerns are not allowed to invest their funds in anything but improved real estate, and as the margin demanded by them to allow for possible fluctuation in values is from 25 per cent. to 33 1/2 per cent., the effect of their security is first class, and gift of gold.

At the present time there are 128 male and 41 female stockholders in the Connelville Building & Loan Association, and a strong effort is being made by all of them to interest others in taking out investment stock, in order that the receipts each month may be made larger and the fund of the Association making more loans to would-be home builders in and about Connelville.

For months past there have been not less than five applicants for every dollar there was to loan, and this mortgage of available funds has resulted in many being disappointed and not getting from doing contemplated building.

The sum of \$5,707.66 was distributed among the stockholders, representing the 10 per cent. dividend for 1907, and an additional \$20,380.15 paid during the year to the fortunate holders of matured investment stock, the latter having been taken out when the Association first began to do business.

Owing to the large amounts distributed in this way in 1907, it was impossible to make loans only to the extent of \$5,000, making the total loans now in force \$7,700.

By the help of this Association many people have been able to build homes who would otherwise have been compelled to continue to pay rent. The running expenses are so extremely low, and every dollar earned is turned over to the stockholders in the shape of dividends.

GRAFT TRIAL BEGINS.

Formal Presentation of Charges Against Trimmers This Morning.

CLOTHES PRESS CASES TAKEN UP

Prosecution Declares That Before Trial It Ends the State Will Have Convicted Each of the Defendants

United Press Telegram
HARRISBURG, Jan. 28.—Formal presentation of the first charges against the four defendants on trial in connection with the alleged case of grafting was made to the jury today by James Scullion, chief assistant in the prosecution. The present hearing is in the famous clothes press case and Sanderson, Snyder, Matthews and Shumaker are charged with perpetrating frauds aggregating \$19,984.40 on contracts involving \$49,417.80.

Contractor Sanderson furnished the goods and Snyder is accused of not auditing the bills. Matthews, former treasurer, is accused with payment of unaccounted bills. Shumaker, former superintendent of the State Prison, is accused of failure to audit Matthews' bills and of having accepted certification of architect Ruckon without investigation.

Huston who was yesterday granted a separate trial on the same charges, is reported to have turned States' evidence. Scullion in opening his address branded the Big Five as criminals and said they had conspired to cheat and defraud the State.

POWERS BENEFIT.

Moving Pictures Showing Incidents in the Arrest and Trial of Governor Kentucky Official.

Moving pictures showing the murder of Governor Goebel of Kentucky, the striking incidents that followed his arrest and the story of Caleb Powers' imprisonment will be shown for the first time to the public this week in Uniontown in the West End Theatre, Thursday, Friday and Saturday evenings of this week. The pictures are in possession of James Moore of Kentucky private secretary to Powers who has been in Uniontown for a week visiting Sheriff P. A. Johns.

Moore has been working for some time on the pictures and in addition to the big reel, he has stereoscopic pictures of the famous people connected with the case and the reproduction of many important documents which play such a vital part in Powers' fight for life.

The pictures show the balloting for Goebel and Taylor the assassination of Gov. Goebel in front of the State House in Frankfort, Ky. January 10, 1900. How Powers received the news while riding on a train. Goebel's death chamber, the arrest of Powers, list of Powers' aged mother, to his prison, preparation of Powers' case by his attorneys Powers' pardon by Gov. Taylor. Gov. Taylor's certificate and commission powers, eight years of prison life and last trial of Powers and the crowd waiting outside the court to hear the verdict.

A decree of distribution was also made in the estate of the late Samuel Collins of new Brownsville of which County C. Carter was the administrator. Collins died on November 31, 1905. The balance for distribution was \$5,606.55.

YARMOUTH DIVORCE.

Countess Claims the Earl Was Married to a Actress Before He Wedded Her

United Press Telegram
LONDON, Eng., Jan. 28.—That the Earl of Yarmouth was already married when he wedded her besides being physically unfit for matrimony will be argued in the Court of Yarmouth's suit to be heard in court next week. The accusation will be based on evidence which the Countess' attorneys think will show that the Earl eloped with an actress to Scotland a decade ago and exchanged declarations with her before witnesses that they were man and wife a legal marriage, according to Scottish law. It will be asserted that the woman received a sum of money to make their separation permanent.

The Earl has engaged Rufus Isaacs, one of the best known barristers in England to conduct his defense. He is to receive a fee of \$5,000 and will get \$1,000 daily for his services in court. Sir Edward Carson of Solicitor General follows a military will be the Countess' chief counsel. He will receive the same salary as Isaacs.

MITCHELL'S REWARD.

Miners Are Determined to Do Something for Their Retiring President Despite Protests

United Press Telegram
INDIANAPOLIS, Ind., Jan. 28.—The National convention delegates are determined to reward President John Mitchell in spite of his protests. This morning a resolution was offered providing that after Mitchell's term expires he be given a vacation with six months full pay together with necessary expenses and the cost of medical attention if required.

The National Executive Board is also empowered to extend the time if it sees fit. The resolution was unanimously adopted. A resolution emanating from the socialist element to establish an industrial republic was bowed out of the convention in a hurry.

MRS. HETZEL ENTERTAINS

For Miss Sarah Hetzel, whose engagement was recently announced, fifty guests were present last evening at a very enjoyable luncheon shower given by Mrs. Hetzel at her home on Third street. Now Haven in honor of her sister-in-law, Miss Sarah Hetzel, whose engagement was recently announced to William Webster Glotz.

Music and various games helped to make the evening a most enjoyable one until a late hour when an elegant luncheon was served. Miss Hetzel was the recipient of many handsome presents. Miss Livergood of Dawson was an out of town guest present.

Unemployed Ask for Work

Cleveland, Jan. 28.—A crowd of petition the city for work for the unemployed and with strips of red ribbon in their buttonholes 2,000 men gathered in the public square coming in procession from all parts of the city. A squad of police was on hand to keep order. The majority of the crowd were foreigners and the talks were made in other than the English language. Petitions to the city council asking that it authorize the mayor to proceed with public improvements in respect to bond issues were adopted. No arrests were made.

The Cough Cure His Great-Grandmother Used

Care your children's coughs with the oldest and best-known cough remedy in the world—the same one their great-grandmothers used and had faith in.

DR. D. JAYNE'S EXPECTORANT

is the same today as when it was first prescribed by Dr. Jayne 77 years ago. This remedy has relieved and cured coughs so successfully for generations that it is to-day the standard cough cure in thousands of homes all over the world.

Don't neglect your children's coughs—don't neglect your own cough. The system is quickly weakened by a constant irritating cough, and laid open to pneumonia and other pulmonary diseases. The best time to cure a cough is right now, and the best remedy is Jayne's Expectorant.

Three sized bottles, \$1.00, 50c., 25c.

Jayne's Tonic Vermifuge is a safe cure for worms, a splendid children's remedy, and a tonic for the whole family. Jayne's Sassafras Pills is an effective liver regulator. A laxative, purgative, cathartic and stool tonic.

Pushing Out Winter Goods Startling Bargains

Greatest economical time for buying in the history of the Union. Simply Complex. Roomants and odd lots in every department, many unbroken lines of Men's, Women's and Children's clothing, all being pushed out at startling reductions. You have been reading about the bargains for a few weeks and if you have not joined the throng of purchasers it is time to get in line. For the balance of this month there will be special additional cuts making the bargains the greatest yet offered.

Startling Bargains in the Shoe Departments

The extraordinary reductions the Union Supply Company is making in the shoe departments are a great variety of styles in these departments will justify you in coming any distance to avail yourself of the opportunity. The stock of Women's and Misses Dress Shoes is large, the depreciation has made business backward and we are going to clear them out. Stocks must be reduced and if you have any money you cannot invest it better.

STEEL SHARE BONUS.

Extra Dividend of \$65.40
Paid on Stock Taken
in 1903.

TINY SUMS FOR FRICK MEN.

Some of Them Will Benefit to the Extent of More Than \$1,000, Which is Clear Velvet—in All Millions Will Be Distributed.

Employees of the United States Steel Corporation who hold stock subscribed for under the profit sharing plan of 1903, have been notified that they will receive an extra dividend of \$65.40 per cent. This dividend will be paid from a fund accumulated principally from bonuses received on stock sold by employees.

Including the regular dividend at the rate of 7 per cent. and the regular bonus of 5 per cent. a year on all stock held by employees for five years, and the extra payment of \$65.40 per cent., gives the subscriber total dividends of 125.4 per cent. in five years, or 42.0 per cent. more than the original cost of the stock, which was \$12.57 a share.

Regular dividend of 7 per cent. \$45.00
Bonus of 5 per cent. a year \$25.00
Extra dividend just declared \$65.40
Total dividend on one share in five years \$135.40
Cost of stock \$12.57

Profit on each share to employees \$122.83
Under the profit sharing plan of 1903 nearly 50,000 shares of United States Steel preferred were subscribed for at \$25.00 a share. Had all the employees held their stock, the 65.4 per cent. dividend would represent a disbursement of \$3,270,000. But a large amount of the stock has been sold, so that total payments will fall far short of that figure.

It is estimated, however, that 10,000 employees who have held stock since the plan was put in force will participate in the money cutting. Stock subscribed for in 1903 will hereafter receive no participation in extra dividends and bonuses. It will be entitled to only the regular 7 per cent. dividend. Such dividends cease after the stock has been in the hands of the employee for five years. Next year those who hold stock subscribed for in 1904 will be entitled to the extra dividend.

Since the profit sharing plan became operative the employees have received 125.4 per cent. bonus and extra dividends a total of approximately \$10,000,000.

More than 100 employees of the H. C. Frick Coke Company and allied concerns in the Connellsville coke region, it is estimated, will be benefited by the extra dividend. They are mostly bosses and superintendents, though there were some miners and coke drawers and others employed about the plants who subscribed for two to four shares of stock. Some bosses and superintendents will receive as high as \$1,000 through the extra dividend.

SCOTTDAL SCRAP.

Picked Up Around the Coke Region's Mill Town.

SCOTTDAL, Jan. 28.—Tomorrow afternoon at 1:30 o'clock the third annual Farmers' Institute for Scottsdale will convene in the hall of the Peterson Business College. A session will be held during the afternoon and evening and three sessions will be held on Thursday. A number of good speakers have been furnished by the State Department of Agriculture, and a very good program has been arranged. The farmers of the community are very much interested in the meeting and a large crowd is anticipated.

The use of the Baptist church has been secured for the approaching conference of the Y. M. C. A. Secretaries. Great preparations are being made to entertain the conference.

Mr. and Mrs. J. R. McKinley of Beaver are here for a few days visiting with the latter's parents, Mr. and Mrs. W. H. Calvert.

Rev. J. K. Wallace of New Sheffield spent the past few days visiting the family of his sister, Mrs. W. H. Calvert.

William Johnson of Toledo, O., left last evening for his home after spending a few days visiting his cousin, A. L. Kestler.

About 30 of the friends of Mrs. L. R. Kicher of Homestead avenue gave her a pleasant surprise on Friday evening last. The evening was spent in a very pleasant manner and refreshments were served.

Messrs. A. L. Porter, Jacob Dewitt, J. W. Bassett and Levi Shaffer were in Greensburg yesterday on the return journey of the Saturday primary.

Mr. and Mrs. H. C. Newman of Allentown, O., are spending several days visiting the parents of Mr. Newman, Dr. and Mrs. S. W. Newman.

Col. J. C. Morrow, the well known auctioneer of Pittsburgh, was here yesterday afternoon for a few hours calling on his old friends and looking after some business matters. Col. Morrow was a resident of town for many years and has a host of friends here who are always glad to see him return.

Last night at nine o'clock ended the time for paying taxes in the borough at the face value, and from this time on an addition of 5 per cent. will be made as a penalty for not paying up in time. Collector McMillen took in a large sum of money yesterday from people who barely got under the wire.

THE GREAT DIVIDE.

Is the Attraction at the New Solisson Theatre Tonight.

Henry Miller's production of that thoroughly American play, "The Great Divide," will positively appear at the Solisson Theatre tonight. No play of recent years has achieved a signal triumph as this drama of self righteousness partisans versus the rough right of might. It enjoyed a run of nearly two years in New York and, but for contracts made a year ago, might have become a permanent attraction in the metropolis. The opportunity to see this great play should not be missed, as it is one in many. There are quite a number of good seats still left that can be secured at the box office of the theatre.

My Wife's Family. The three act musical farce comedy success of last season, will be seen here at the Solisson Theatre Thursday, January 30. This merry conglomeration of nonsensical fun, music and dances by Stephens and Linton scored a hit from its opening performance and duplicated its success for a season of 40 weeks last year.

The plot is the essence of complexity, and in this respect is more than adequate. It hinges on the efforts of Jack Gay, a young married man, to get rid of his mother-in-law and the rest of his relatives by marriage, who have thrown themselves on his hospitality, and by carrying tales to his wife's success in keeping him in constant hot water. In desperation he enlists the services of Doc Knott, a man about town, to help him out of his troubles. This he does, not however, without causing no end of complications, from which arise humorous and laughable and absurd situations.

The Stephens and Linton company is one of the best ever selected for the interpretation of the farce, including as it does, vaudeville artists of high class, who furnish plenty of additional amusement.

JUDGE BAER ILL.

Condition of a Prominent Somerset Citizen is Serious.

SOMERSET, Jan. 27.—Ex-Judge William J. Baer is seriously ill at his home on Union street. He is suffering from acute stomach trouble which, complicated with the ailments incident to old age, renders his condition serious. On Saturday it was believed that Mr. Baer was dying, but he recovered and is now living, although his condition is serious.

The regular primary election was held on Saturday. The primary was for the purpose of nominating borough officials. The vote was as follows: Town Council, Elmer E. Pritts, three year term, 211; Rufus E. Myers, three year term, 185; Edward R. Barnett, three year term, 222; Samuel S. Grouse, three year term, 119; C. M. Hutson, three year term, 95; Fred Cohen, one year, 239; Three Councilmen, E. E. Pritts, R. E. Myers and E. R. Barnett, were elected for three years, and one, Fred Cohen, for one year. School Director, James M. Cook, 302; Norman E. Knepper, 204; Bots will serve. Street Commissioner, Herman G. Cunningham, 200; J. R. Dively, 100; Constable, William Gilbert, 200; Judge of Election, Geo. Neff, 303; Inspector, A. Dent Miller, 302; Auditor, H. F. Yost, 301.

The regular January term of argument court will convene Thursday. There are 69 cases on the list, 11 from the Orphans Court and 10 from the Court of Quarter Sessions. The remainder of the week will likely be occupied by the court.

Manager W. H. Kautner has booked E. A. Simmons, the well known trick and fancy skater, for the local roller rink this week. Mr. Simmons is said to be the best professional skater in the country, and he is the only skater who uses slits in his performance.

CUTTING SCARPE.

Italians at Shaw Mines Engage in Per-haps Fatal Quarrel.

SOMERSET, Pa., Jan. 27.—(Special.) Between 1 and 2 o'clock on Monday night four Italians became involved in a brawl at No. 10 house, Shaw mines, near Meyersdale. As a result, one of the party, Sullivan Correll is in a critical condition, he having been stabbed and cut about the head, face and upper part of his body. The three other Italians attacked Correll with knives.

The three assailants are now in the Meyersdale basilio. Constable John D. Swindell of Meyersdale having rounded them up within an hour after the cutting took place. Jim Page, Curran Liberton and Antonio Poluch are the three prisoners. They will be given a hearing at Meyersdale and will likely be committed to jail to await trial. The cause of the quarrel is not known, but it is stated that the three prisoners are bad men, who are much feared by their associates.

Wants New Rates on Ties.

DULUTH, Minn., Jan. 28.—(Special.)—The Minnesota Railroad and Warehouse Commission met at the Duluth hotel in this city today to give a hearing on the complaint made by J. W. Reynolds against the Great Northern railroad. The complaint is based on the assertion that the rates on ties and other rough products of the forest are not fair as compared with the rates on lumber.

Good food and a good cook are not enough to produce a good meal. Much depends on the vessels in which the food is prepared. The best of pure food becomes unwholesome if prepared in a vessel that is not scrupulously clean. This is the chief difficulty with tin, iron or enameled vessels. Not only does this food burn easily, but after the vessels have been in use for some time there is always more or less disagreeable odor coming from the bottom, no matter how they are scoured and cleaned.

This difficulty becomes a positive danger to health when the enamel, which contains arsenic, antimony and lead, begins to crack and chip off. These poisons are absorbed by the foods, particularly fruits and vegetables, and often lead to chronic stomach trouble and other ailments, for which there is no apparent explanation.

For these reasons doctors, as well as teachers of domestic science, have been for years recommending the use of earthenware utensils. They are always clean, always wholesome, and subject to none of the objections which obtain against metal utensils.

You now know why you should have a set of "SANITO" Kitchen Utensils, and

Remedies of Evils Can Be Effectuated by Teaching Parents the Duties They Owe Their Children—Increase in Wages Will Help.

The services at the United Presbyterian church were of unusual interest Sunday. The subjects discussed by the pastor, Rev. J. J. Huston, were up to date and had to do with practical questions of the present time. In the morning it was "Child Labor" and in the evening "The Inter-Denominational Missionary Conference," and dealt with the uplifting of China, aliens or Americans, and the challenge of the city.

In the morning he took for his text Isaiah, Chapter 3, Verse 6. "And the streets of the city shall be full of boys and girls playing in the streets thereof." The pastor said:

"There are many peculiar texts in the Bible, and frequently we run across a text that is counter to our ideas as to how things should be. But suppose that we have learned that our ideas are not always right, and many times we have been compelled to change our thoughts and bring them into harmony with the teachings of God. This eighth chapter of Zechariah is a promise chapter and tells of the future glory of Jerusalem, and gives us a picture of city life as it should be established and enjoyed at the present time. The conditions portrayed in the chapter will be the conditions in restored Jerusalem and should be the conditions found in city life under our Christian civilization. In many places we do not find the conditions in the city corresponding to the conditions portrayed in this chapter, and it is the duty of the Christian citizen and the individual member of the church to inquire into the conditions as they exist and seek to bring them into harmony with the requirements of the Word of God.

"Possibly you all know that there is a National Child Labor Committee, with headquarters in New York City, composed of such representative men as Theodore Roosevelt, Grover Cleveland and Cardinal Gibbons, who are looking into this subject deeply. Today they are asking all the church people in our land to consider this question, in order that pressure may be brought to bear upon parent, employment agencies, members of the State Legislatures and our National Congress that laws may be enacted and enforced that children may have the opportunity to grow physically, intellectually and spiritually as God intended they should.

"Child life is to be protected, nourished and developed by proper food, exercise, study and play. Parents are responsible under God for the clothing, housing, feeding and training of the children. There is entirely too much nonsense and foolishness manifested on the subject of marriage, and many young people rush blindly into this relationship without a single well developed idea of the responsibility and probability of the future. I know of a child born in this city, not fifty feet from Pittsburg street, three weeks ago, and there was not a single garment provided for that infant and for days and days it lay wrapped in rags. Is not some person criminal? Food and home life are essentials to the development of child life. The child also needs exercise and this can be secured by work and play. The little boys and girls should be taught to work, but they should also have time to play. Why do we not have play grounds at our school buildings where the boys and girls can engage in play? And play grounds should be provided for the children, and the old men and women should encourage the children in their play. If you do not believe this, read this chapter, in which our text is found.

"It is generally conceded that it is not good for a child to be born in wealth, and the children who come into the world with a golden spoon in their mouths frequently fall to develop properly. This should not be the case, and it is generally the parents that are to be blamed. The country born child is to be envied because he generally has the best start in life. But what about the village and city born children? Many of them are to be pitied. We have read much about the childless homes, but not much has been written about the homes that are overcrowded with children. There are many child perni our cities who go to school without breakfast because there was not a crumb of bread in the house.

"The remedy: This can be accomplished by inculcating into the minds of the parents proper ideas of what they owe to their children. Many parents are not able to provide for their children because they are not living in obedience to God's commandments. The increase of wages will help bring about better conditions, and there must be the enactment and enforcement of righteous laws. Those things and the manifestation of more of the love of God by the members of the churches will bring into realization the golden age of childhood when the streets of our cities shall be full of boys and girls playing in the streets thereof."
